

THE OHIO STATE UNIVERSITY

The new PI Portal

Welcome to the new PI Portal Training Guide.

This guide will take you page by page through the new PI Portal, explaining new features along the way.

New features in the PI Portal include:

- The “Home Page” which presents a simplified and summarized view of information relevant to you and your role within the university.
- The “Search” feature which allows you to search by project number, title, department or investigator. You can also use keywords to narrow your search.
- The “Project Details View” which allows you to see project details including a financial overview, demographics, expenditures, commitments and award documents.
- The “Line Item Rollup” which enables you to create a report consisting of budget and expense information rolled up from selected projects.
