OSU guidance and links

OSU Libraries Research Commons:

- Intro to Data Management <https://guides.osu.edu/IntroDataManagement>
- Data Visualization (Data Viz) <https://guides.osu.edu/rc-dataviz>

Analyzing Data in R

Self Directed R learning resources

Safari Learning platform has books, videos and other training resources for a number of Technology topics and tools including R. On/Off-Campus Link <https://library.ohio-state.edu/record=e1002334~S7> login information under Public Note

Other R resources <https://guides.osu.edu/tdai/intro>

Wooster County Public Library or most public libraries will provide access to LinkedIn Learning/Lynda.com <https://wcpl.info/borrow/getcard> and <https://wcpl.info/dbases/>

In person R training events

Research Data Commons and TDAI present a R Workshop on a semester basis. Since we are between semesters right now they are still working on the next schedule.

Link to the TDAI R resources <https://tdai.osu.edu/education/training-and-learning-paths>
OSUL Research Commons list events here <https://library.osu.edu/researchcommons/events>

OSU Code Club: <https://biodash.github.io/codeclub-schedule/> for more information contact Jelmer Poelstra, MCIC poelstra.1@osu.edu

Data management Plans
